

ROMANTICA

5 Bedrooms - 5 Bathrooms – Sleeps 10 – Town centre location

Property Description

Romantica has one of the finest locations in Verbier; it's a mere 80 meters from Verbier's buzzing Place Central and only 100 metres to the main ski lift station at Medran. Location, however, is not the only striking thing about Romantica. It is a stunning penthouse which features 5 en suite bedrooms and a large open plan living area. Romantica even boasts its own sauna, hammam, and Jacuzzi; ideal for relaxing after a day on the slopes.

Romantica was built from old stone and wood and this traditional style continues throughout the penthouse. Romantica has been elegantly decorated in an alpine style which creates a warm and welcoming environment. This is the perfect penthouse for families or large groups of friends wanting to experience Verbier at its very best.
